MARSHALL CO. ELECTION.

Union Gain of 413!

We have received reported returns from all but two townships in this county, Union and Tippeca noe, which will probably about offset each other. positively, that the county has undoubtedly gone Democratic by about 170 majority, which is a great falling off since last year.

We hoped for a different result but have been disappointed. However, the result is far from disganization and another year, when there will be Ohio gives more to contest for, we can rally our forces more Iowa gives

The discomfited rebels of Louisiana have taken up their old name of Democrats, and are organizing for the State election. They differ from their Northern brethren in boldness, but the "timehonored principles" are, of necessity, the same in Indiana as in Lousiana. The Democracy of the latter State have recently had a convention in which the principles of the party were not hidden under a bushel as was done in New York, but were announced boldly, and with a distinctness that all can understand. They first resolved that the Government was made and should be perpetuated for the exclusive benefit of the white race, thereby declaring that one-half the population of the State is entitled to no protection to life, liber ty, or property, although required to obey the &c. laws and pay taxes to support those who are deemed entitled to the benefits of the Government. THE SECRET SERVICE, THE FIELD. THE DUNGEON, AND THE ESCAPE, BY ALBERT D. RICHARDSON,

N. Y. TRIBUNE CORRESPONDENT. *

THE most interesting and exciting book ever published, embracing Mr. Richardson's unraralleled experience for four years; traveling through the South in secret service of the "Tribune" at the outbreak of the war, with our armies and fleets, both East and West, during the first two years of the Rebellion; his thrilling capture; his confinement for twenty months in seven different rebel prisons; his escape, and almost miraculous journey by night of nearly 400 miles. It will abound in stirring events, and contain more of the fact, incident and romance of the war than any other work yet published.

Teachers, ladies, energetic young men, and especially returned and disabled officers and soldiers, in want of profitable employment, will find it peculiarly adapted to their condition. We have agents clearing \$150 per month, which we will prove to any doubting applicant. Send for circulars. Address JONES, BRO'S & CO., m44 Sm.) — 148 West Fourth street, Checienath, Chiz.
